Jack P. Broadbent
EXECUTIVE OFFICER/APCO

Dear Ms. Adams:

The District has completed its evaluation of the renewal application for the Major Facility Review Permit for the following facility:

Application Number	Facility Number	Facility Name	Address	Type of Operation
27728	A0051	United Airlines – San Francisco Maintenance Center	Maintenance Base Bldg. 49-2 - SFOEN San Francisco International Airport San Francisco, CA 94128-3800	Commercial Aircraft Maintenance

The District has made a preliminary decision to issue the renewal Major Facility Review Permit, but the final decision on the permit issuance will consider public and EPA comments on the proposed permit. The notice inviting written public comments will be published in the San Francisco Chronicle. The final date for members of the public to submit comments is March 15, 2018.

The proposed permit and statement of basis can be viewed on the BAAQMD website at <http://www.baaqmd.gov/permits/major-facility-review-title-v/title-v-permits>. We will also send the documents to you via the Electronic Permit Submittal System. If you have any questions regarding this project, please call Dennis Jang, Senior Air Quality Engineer, at (415) 749-4707.

Very truly yours,

Signed by Damian Breen for Jack P. Broadbent
